**2011-2012**  
**The Taiwan Scholarship Program for**  
**Indian Students**

February 1, 2011

### **Introduction**

The Taiwan Scholarship is sponsored by the government of Republic of China (Taiwan). The purpose of this program is to enhance academic cooperation between Taiwan and India.

### **Amount of Scholarships**

Total number of scholarships is 4(2 for undergraduate, 2 for graduate students).

- (1). Undergraduate scholarships: A stipend of NT\$25,000 (about US\$833.00) per month will be provided for each student who wants to pursue undergraduate degrees at university/college in Taiwan.
- (2). Master and Ph.D. scholarships: A stipend of NT\$30,000 (about US\$1,000.00) per month will be provided for each student who wants to pursue master or Ph.D. degrees in Taiwan.

Scholarship stipends will be disbursed to recipients on a monthly basis. Recipients will be responsible for registration fees, tuition fee as well as their accommodation, round trip airplane ticket, insurance and other miscellaneous expenses.

### **Duration of Award**

The award period for each study program varies as follows:

- a. Undergraduate program: maximum 4 years,
- b. Master program: maximum 2 years,
- c. Doctoral program: maximum 3 years.

For any combination of these study programs, the length of the total award for each recipient is a maximum of 5 years.

Annual award periods are **from September 1<sup>st</sup> through August 31<sup>st</sup>**. If recipients fail to arrive in Taiwan to study during this period, their award status will be cancelled and cannot be extended for another year. If recipients begin studies after the semester/term/quarter starts, their award period will become effective from the month they arrive in Taiwan to matriculate at their individual universities/colleges. All awards will end the month their specified award period is completed.

However, if recipients graduate, drop out, are expelled from institutions, or their scholarships are revoked, whichever comes first, the award will be terminated.
